

# ANDAZ™

Andaz is a hotel where our guests experience a vibrant yet relaxed atmosphere geared towards today's individual business and leisure travelers. Each hotel is designed to reflect the unique cultural scene and spirit of the surrounding neighborhood. The hotels also feature a unique service model that removes a number of de-personalized aspects of a typical hotel experience. For example, each hotel allows guests to check-in to the hotel more efficiently through innovative techniques that include the use by our associates of a hand-held device for check-in. In addition, a laptop is available in the lobby area, known as the Andaz Lounge, upon arrival that allows the guest to check themselves into the hotel. During this check-in process and throughout a guest's stay, complimentary beverages remain available in the Lounge. We have also simplified pricing for our guests as the room rate includes internet access, local phone calls and non-alcoholic beverages and snacks in the room.
