

Hyatt Gold Passport Award Chart Adjustments

On September 1, 2011, changes to the Hyatt Gold Passport Award Chart will be implemented. This shift will include 18 hotels moving to a lower category and 25 hotels moving to a higher category. The changes that will take place are listed below.

Rest assured, we will continue to make free night award redemption as easy as possible with no blackout dates. If we have a standard room available at any location on any day of the year, you're more than welcome to reserve it with your Hyatt Gold Passport points.

Between now and September 1, 2011, all award bookings can be made using the current award chart. Existing reservations for stays subsequent to September 1, 2011, will receive a refund for the point difference if the hotel moved to a lower category.
